Engaging students

Students participate in our classroom community even when remote

Intro to ClassDojo + Remote Readiness

(7min video) 

Learn all about ClassDojo from Caitlin — a former elementary school teacher, and ClassDojo Mentor, now part of the ClassDojo team! She'll share her expert tips for **communicating with families and making sure you're remote ready.**

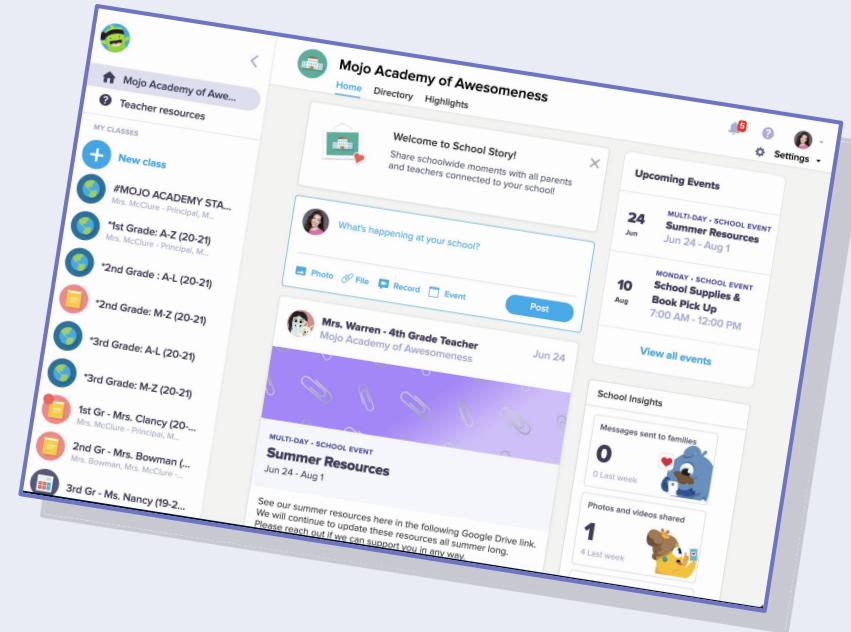

Ensuring **consistency** with a single shared platform

★FREE★ and easy-to-use at school and home

Stay connected

In-person or remote, your routines remain

- **Intuitive, easy-to-use interface**
- **Messages + School and Class Stories** keep everyone connected
- Manage your school's **Directory** so that your community is always up-to-date

“ClassDojo has allowed us a seamless transition into remote learning! 🙌 It has been the command center for my art instruction for the last two years, and has unified our whole school. Staying connected is more important now than ever!”

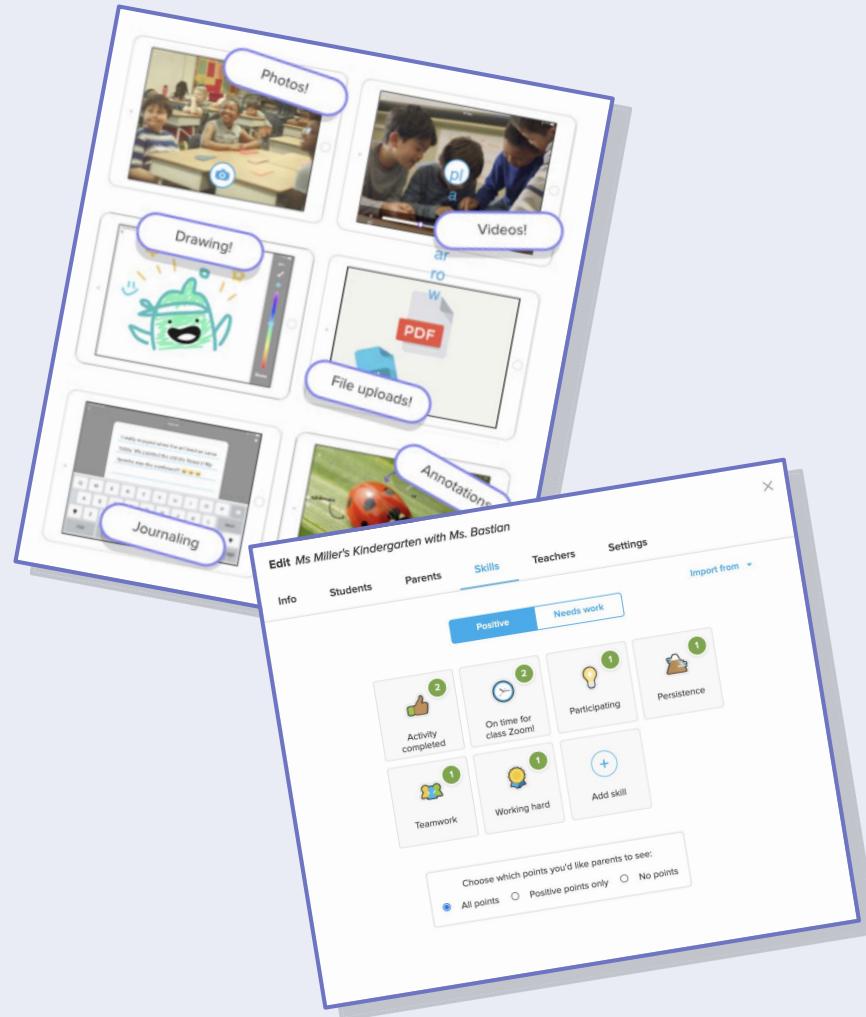

- Bonny Ramirez Art Teacher at Benavides STEAM Academy

Consistency

Consistent Learning

At home and school

- **Lessons and activities** are always accessible
- Students can share to their **Portfolios** from anywhere!
- **Tools** for attendance and check-ins with students allow teachers to complete administrative tasks.
- **Customizable** ways to encourage behaviors

Creating our school **community**

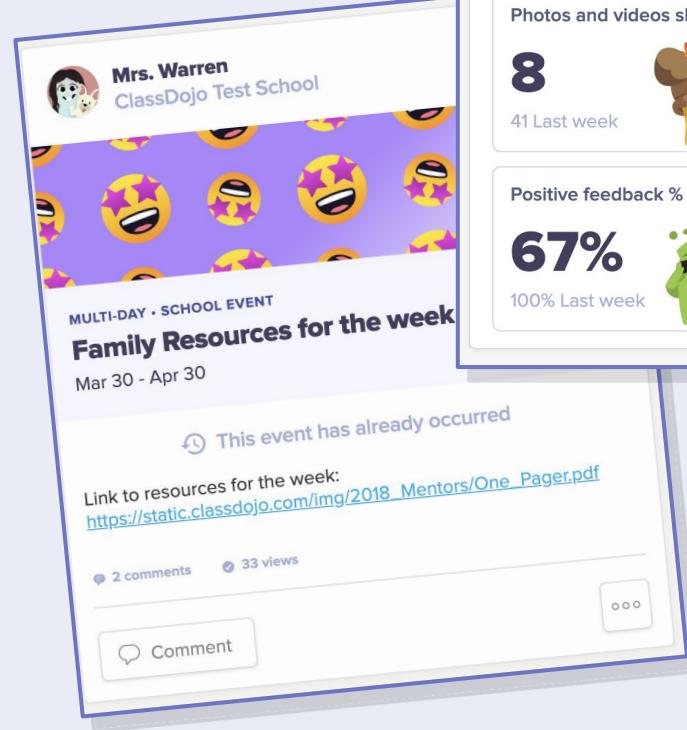

Bringing together families, teachers, and our
whole school community

Community

Going school-wide

Everyone in one place means our entire school community is remote ready!

- **Schedule** school-wide **Events** like Zoom parent info nights.
- **Manage our school's directory** of students, teachers, and staff.
- **Access insights around engagement** and communication.
- **Join teacher's classes** to be a part of their classroom communities.

School Story

Share school-wide updates.

- A private feed to **share photos and videos** of school-wide moments
- Be confident that ALL families have the information they need by **seeing which parents view your posts**
- **Send announcements and files**, like newsletters, to our entire school community

Class Story

Have teachers share moments, lessons, and more!

- A private feed to **share photos of field trips, video lessons, and files** with students and families (and see who actually viewed your post!)
- Create **Events** with automatic reminders for assemblies and video meetings
- Turn on **parent and student comments** to engage them in the conversation!
- Become a co-teacher in teachers' classes to engage with Class Stories, view student work in Portfolios, and connect with families through Messages.

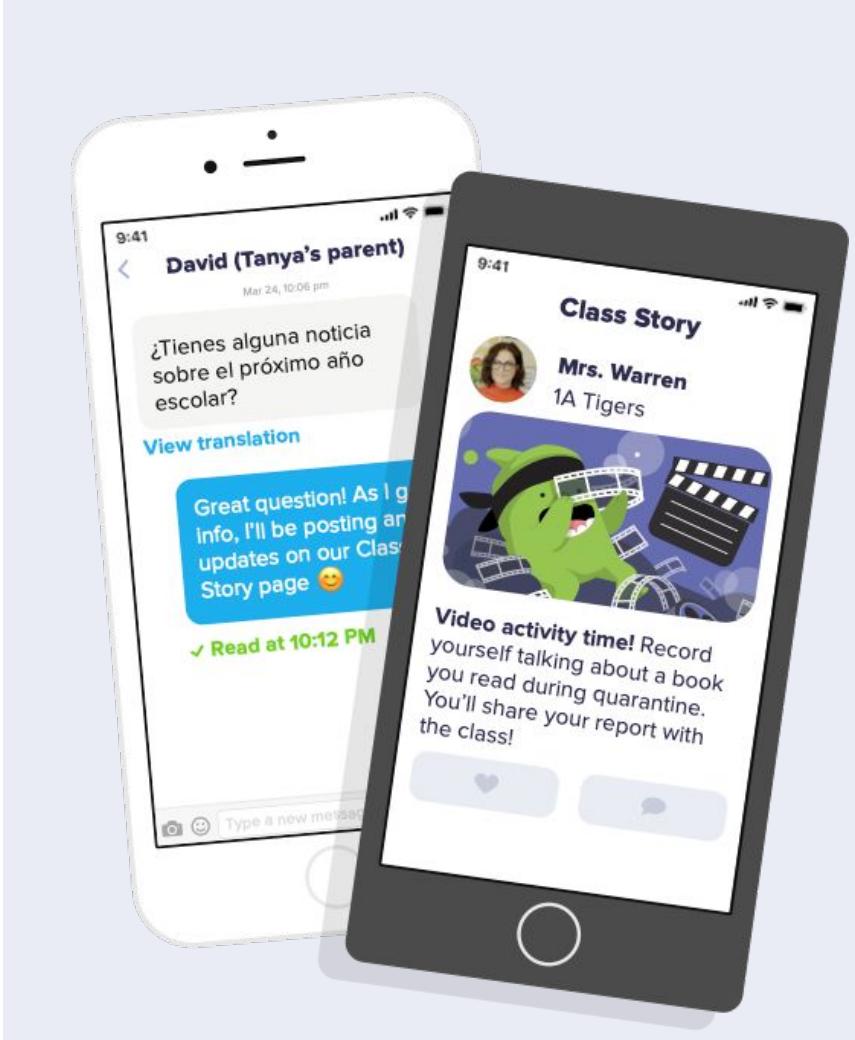

Connecting with every family

Improve communication between teachers and parents

Messaging

Build 1:1 connections and families stay connected even if their contact information changes.

- **Automatic translations** mean language is never a barrier
 - **Read receipts** let you know when parents view your message
 - **Scheduling** allows you to set up reminders and updates ahead of time
 - **Send files and photos** to differentiate and provide resources for specific families
- + **Quiet hours!**

Translations

Communicate with ALL families

- Instant translations in more than 35+ languages mean every family is a part of your school community.
- See which language families prefer when you **view read receipts** in messages.

Social-Emotional Content

Help students develop social-emotional learning skills

- Students love learning about empathy, growth mindset, and more alongside Mojo and Katie!
- Teach social-emotional concepts through videos, discussion guides, and meaningful follow-up activities.

The graphic displays three video player cards from 'The Mojo Show' on a light blue background. Each card features a cartoon character named 'Mojo' and a small green robot named 'Katie'.

- Growth Mindset:** A video titled 'Your brain is like a muscle' (5 minutes). The description states: 'ClassDojo and Stanford's PERTS Research Center teamed up to create the first season of The Mojo Show. The five-episode video series (along with a few incredible activities) highlight the power of having a growth mindset, and how any student can learn this skill!' It includes a 'Follow' button.
- Empathy:** A video titled 'Mojo the director' (5 minutes). The description states: 'ClassDojo and Harvard University's Making Caring Common Project collaborated to create a three-episode video series all about empathy. Find these empathy episodes along with some amazing activities to help strengthen your students' empathy skills.' It includes a 'Follow' button.
- Mindfulness:** A video titled 'Mojo Meets the Beast' (5 minutes). The description states: 'Emotions are powerful: they can either overwhelm you, or become your best friend. Take your students on a journey to understand how they can manage their powerful emotions through mindfulness. This set of activities was created in partnership with Yale University's Center for Emotional Intelligence.' It includes a 'Follow' button.

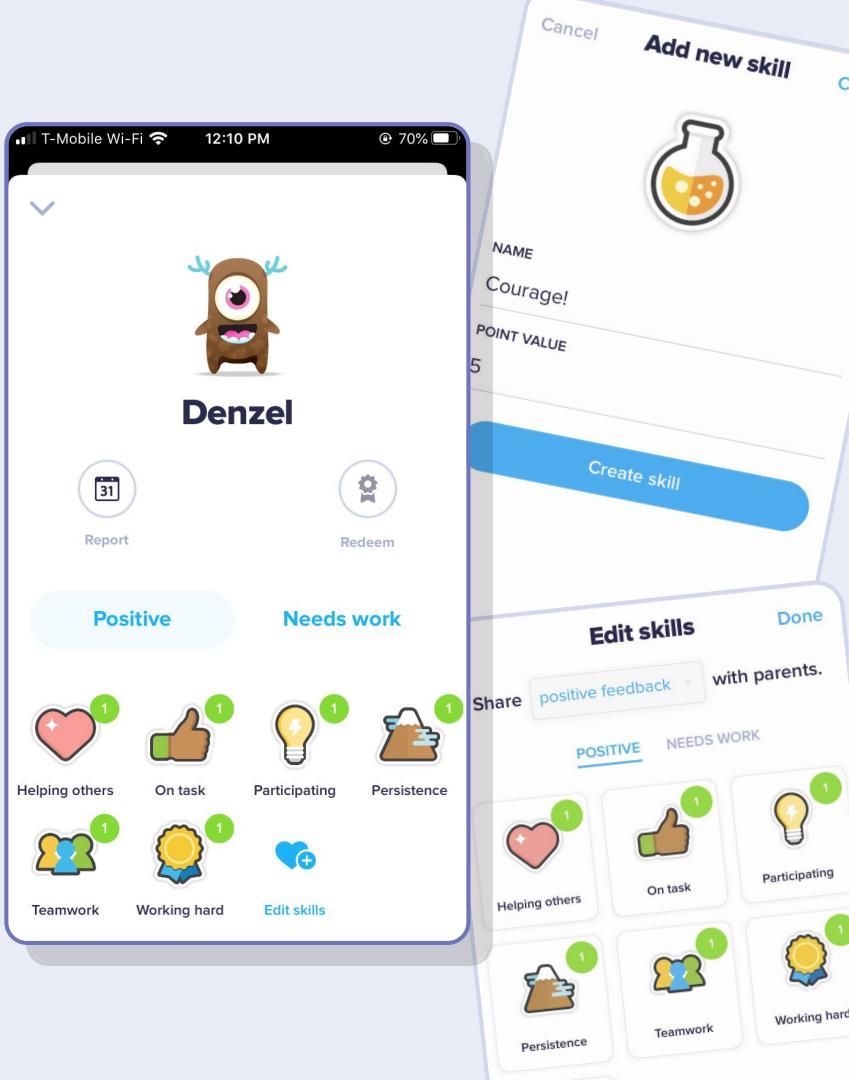

Classroom Management

Engage students both in-person and remotely

Feedback

Encourage Positive Skills

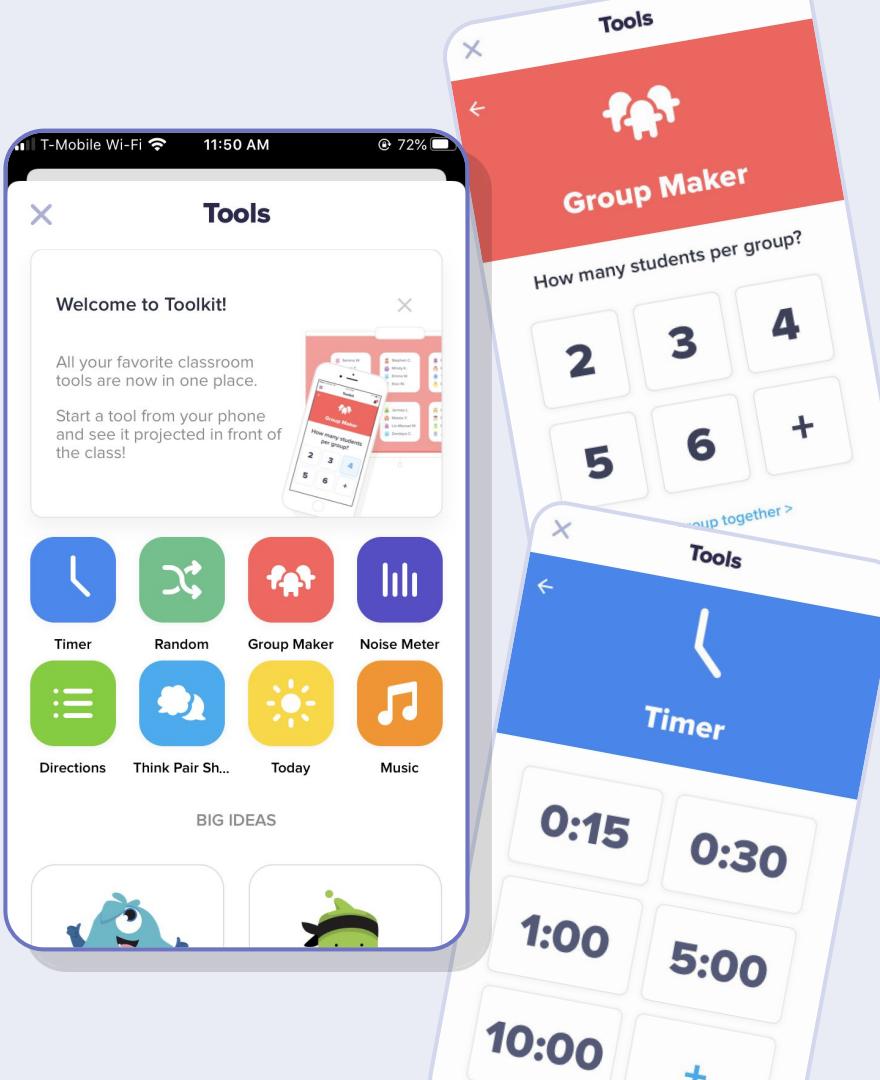

- Give students positive feedback for skills like “Perseverance” and “Remote Learning Participation”
- **Customizable feedback** is timely, specific, and individualized, encouraging self-reflection and goal setting
- You choose whether and how to **share this data with families**

Teacher Toolkit

Stay organized (all in one tab 😊)

- **Tools** include a timer, random, group maker, noise meter, directions, think-pair-share, today, music
- Keep track of attendance and tardies
- Group students in seconds, and set standing “don’t group together” groupings for those chatty Cathys

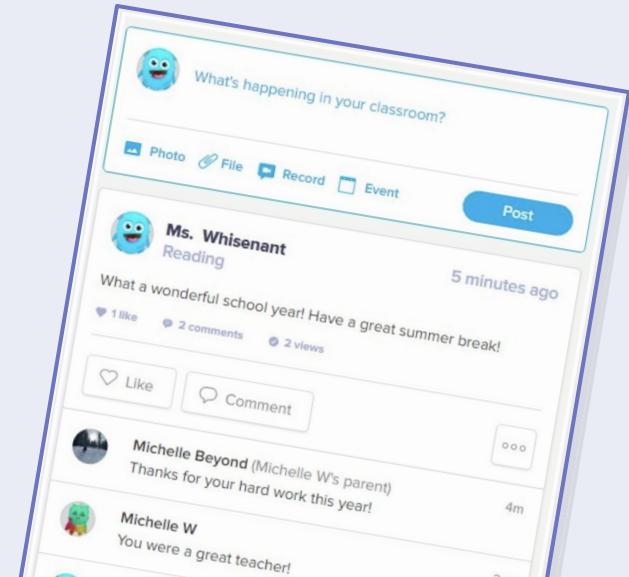

Creativity & Collaboration

Coming together to create something amazing

Collaboration for Students

Students are engaged in their learning

- Enable **student commenting on Class Story** posts to allow students to engage with their classmates
- **Share to Class Story** to inspire conversation among students (and families!)
- Have students complete **Worksheets** directly in ClassDojo!
